LAB EQUIPMENT CATALOG

“First in Quality, Foremost in Service, and at the Forefront of Our Industry!”
AOSS Medical Supply, now celebrating 27 years of continued business, is a leading private medical supplier to the Home Health and Long-Term Care markets. We provide disposable ancillary supplies and medical equipment to every size facility in North America and across the globe. Headquartered in Monroe, Louisiana, with a second distribution facility in Salt Lake City, Utah, and with our partnership with ABCO and their 150,000 square foot facility, we pride ourselves on offering every customer superior service and quality products at a competitive cost. AOSS also offers a custom designed, in-house, online ordering system for direct facility access, along with a direct link to their approved product lists, review of orders prior to shipment and purchase and usage reports.

AOSS Medical Supply’s philosophy is continuous customer satisfaction, beyond what is expected. Our core objective is to meet and exceed our customer’s requirements in manufacturing and distributing quality products, while delivering superior service. We continually strive for excellence in every aspect of our company!
